SOS is firmly committed to Equal Employment Opportunity (EEO) and to compliance with all Federal, State and local laws that prohibit employment discrimination on the basis of age, race, color, gender, national origin, religion, disability, protected veteran status and other protected classifications. This policy applies to all employment decisions including, but not limited to, recruiting, hiring, training, promotions, pay practices, benefits, disciplinary actions and terminations.

As a government contractor, SOS is also committed to taking affirmative action to hire and advance minorities and women as well as qualified individuals with disabilities and protected veterans.

We invite employees who are disabled or protected veterans and who wish to be included under our Affirmative Action Program to self-identify as such with the EEO Administrator. This self-identification is strictly voluntary and confidential and will not result in retaliation of any sort.

Employees of and applicants to SOS will not be subject to harassment, intimidation, threats, coercion, or discrimination because they have engaged or may engage in filing a complaint, assisting in a review, investigation, or hearing or have otherwise sought to obtain their legal rights related to any Federal, State, or local law regarding EEO for qualified individuals with disabilities or qualified protected veterans.

As CEO of SOS, I am committed to the principles of Affirmative Action and Equal Employment Opportunity. In order to ensure dissemination and implementation of equal employment opportunity and affirmative action throughout all levels of the company, I have selected Jim Bost-Director of Administration as the EEO Administrator for SOS. One of the EEO Administrator's duties will be to establish and maintain an internal audit and reporting system to allow for effective measurement of the company's programs.
